

High Quality Products for Construction Applications

Effective Adhesives and Sealants for Panels, Flooring and Roofing

Stabond product offerings include high performance formulations developed specifically for the Construction industry. Our structural and contact adhesives, sealants, primers, adhesion promoters, and release coatings are ideal for various panel, roofing, and siding applications and stand up to challenging and stringent environmental and structural requirements.

Prototype applications and high-volume manufacturing systems are designed to enhance production efficiency with time-proven performance and competitive pricing.

- ▶ Reliable time-proven performance
- ▶ Manufactured to latest revision of ISO 9001/AS9100
- ▶ Sustainable materials and manufacturing practices
- ▶ All products produced in the United States
- ▶ Flexible package options from cartridge to bulk
- ▶ Custom formulations and packaging available

PRODUCT EXAMPLES	Application Method	Viscosity (cps)	Solid Content	Peel Strength (pli)
STASEAL 5000B	trowel, extrusion	500M	100%	47
STABOND U-148A	brush, spray	2,100	19%	28
STABOND C-148B	brush, spray	2,000	32%	43
STABOND SWD-2000	spray	30	11%	29
